1. Policy Statement

We aim to ensure equality of opportunity for all trainee teachers and staff, in an environment in which all individuals are recognised as being of equal value and are able to make best use of their skills through equality of opportunity.
- 1.2** The BASCITT values the diversity of the trainee teachers and staff within the partnership by recognising and celebrating differences and valuing everyone. The BASCITT also acknowledges that embracing and valuing diversity is fundamental to securing equality of opportunity for all.
- 1.3** The BASCITT will endeavour to ensure a continued diversity of placement settings to enhance the training programme and meet the needs of all schools within the locality and region.
